

## Time for a Winter Special

Liners are a great idea and take all the pain away when it comes time to wash your cover. Simply remove the liner holding the beans and put back in once the cover has been washed, so for this reason we have decided to have a giveaway.

Buy a cover with or without beans and we will supply a liner **FOC, Free, Nil, Zilch, Kore, Zero, Nothing....** When you are making your selection choose the cover and whether unfilled or filled, leave the **No**

**Liner** option checked as highlighted - example below.

Cover Colour Choice	<input type="text" value="Black Cotton Drill"/>
Liner (Recommended)	<input checked="" type="radio"/> No Liner
Polystyrene Beans (NZ Only)	<input type="radio"/> With Liner
Qty.	<input type="radio"/> Unfilled
	<input checked="" type="radio"/> Filled - 220 Litres
	<input type="text" value="1"/>
<input type="button" value="Add to Cart"/>	

Then simply enter code **LinerFOCWinter2019** in the coupon field of the shopping cart. Sorry to the pet lovers out there, the pet bean bags have free liners anyway.

Cheers and any questions just holler out – [info@beanbag.co.nz](mailto:info@beanbag.co.nz).
