

RECOVERY BEAN BAG SPECIAL

25% Discount on all products

We hope you are all staying safe, well and isolated over this worrying period.

Like most businesses in NZ, we too are currently closed for business. **BUT can still take orders via our website, telephone or email direct.**

Timeframe. Our business is run from home in rural Southbridge – approx 45km from Christchurch - where all the cutting of the fabric is done and bean bag beans are made. All sewing of the bean bags is done in Rolleston – approx 25 km from Christchurch. So while in lockdown we can still cut the orders to size ready to be sewn as soon as restrictions are lifted. Depending on number of orders (we're not expecting many) we should have them sewn and in the courier within 3-5 days. The only possible hold up is if we don't have your particular fabric on hand so add another 1-2 days.

If you are happy with the delay and time frame we have launched a 25% discount special using the code below....

To redeem this special enter the below code in coupon code field of the shopping cart and the discount will be automatically be deducted.
